Amber's audience is comprised of female entrepreneurs, corporate leaders, network marketing pros, working moms and women who are ready to unlock their next level of success and fulfillment.

They are predominantly US-based, ages 28-50, interested deeply in the personal development, wellness and growth spaces to include online programs, physical products, live events, podcasts, and books.

PROGRAMS

Amber is the creator of multiple virtual programs, including the IGNITE Mastermind, Brand You Breakthrough and Master Your Money Mind. Amber's virtual trainings take her students on an intimate transformational journey to clarify + claim their deeper purpose while activating them to create new pathways for success in their lives and careers.

Before I started working with Amber, I was a very new and overwhelmed mom. I was contemplating quitting my business. Since my work with Amber, I DOUBLED my best month ever since I launched my business. I launched a new program that has taken off and this has been the least I've ever worked in my business....I can hardly believe it!
